SELECTING A COLLEGE

The selection of a college by a student is a major decision. Colleges are different; policies and rules vary. The prospective student should study the college catalogue and student handbook before completing his application.

A student desiring the life of a large state university may not be happy at a small, church-sponsored junior college. A student may get specific information concerning Anderson College's policies by writing to the office of the Registrar.

ADVANTAGES OF AN ACCREDITED JUNIOR COLLEGE

- 1. The junior college offers two years of regular college work paralleling that of a standard four-year college or university, enabling the student to transfer to the junior year without loss of time or credit.
- 2. The junior college provides terminal, or occupation oriented, courses, designed to prepare the student for a vocation in two years.
- 3. Some 50 per cent of the students in four-year colleges drop out after the freshman and sophomore years. The junior college gives the student opportunity to complete two years of study and receive a diploma.
- 4. Personal interest in each student from the administrative officers and instructors provides individual guidance, enabling the junor college to bridge the abrupt transition from high school to a larger institution.

COLLEGE PURPOSE

Christian Education. The charter of Anderson College secured in 1911 stated that the institution would be a Christian school. Christian education comes to pass as well trained Christian teachers instruct Christian students in an atmosphere of reverence for all truth. A well rounded life possesses not only a well trained mind but a disciplined and adjusted personality.

Thorough Training. Academic standards maintained by the best colleges are the goals for Anderson College. Cheap academic work is not acceptable at Anderson College. Southern Association approval is highly valued.

A Small College. Anderson College for 55 years has been known as a small Christian college. Following the trend of increasing enrollment, the small Christian college idea is still basic in planning for the future of Anderson College.

Personal Attention With a ratio of one faculty member to 17 students, Anderson College is able to give personal attention to the students. Every teacher serves as a counselor.

Student Participation. Individuals may participate in groups such as choir, drama, publications, honor societies, religious organizations, and class groups.

Moderate Cost. Charges at Anderson College are reasonable. Details concerning expenses are given on page 15.

Community College. Approximately 50 per cent of the students at Anderson College attend as day students. The citizens of Anderson find educational opportunities offered at Anderson College most helpful. Night classes are held as a community service.

NOTES RELATING TO EXPENSES

Checks and drafts should be drawn to the order of Anderson College.

No examinations, honorable dismissal, diploma, certificate, or transcript of credit will be given until all accounts with the College have been satisfactorily settled.

Returned Checks

Acknowledged bank errors excepted, students will be penalized on the following basis for checks (regardless of amount) which are returned unpaid by the bank: first offense, \$1; second offense, \$2; third offense, \$3; etc.

Withdrawal from College

In accordance with the uniform customs of reputable colleges, registration in the College is considered a contract binding the student and his parents for charges for the entire semester.

However, students withdrawing within the first five weeks of a semester will receive adjustments on charges for tuition and fees as follows:

During first week 90%	During fourth week 40%
During second week 80%	During fifth week 20%
During third week 60%	After fifth week no refund

The first day of registration will be considered the first day of school in computing adjustments.

No refund is made in the case of non-resident students taking special courses only.

Student Bank

The College does not advance money to students. A student bank is operated for the convenience of students. Each resident

student should deposit his spending money and draw it out as needed. Students are advised not to keep money in their rooms. It is recommended that a deposit of \$75 be made in the student bank for books, stationery, and other supplies.

Parents should send money to students only by check or money order.

The College maintains a book store supplied with textbooks, stationery of all kinds, paper, ink, and miscellaneous supplies. Textbooks are supplied only through the book store. Purchases must be made in cash. Except in the case of sisters or brothers rooming together, each student is required to buy his own books.

Reductions and Concessions

When two boarding students come from the same home (brothers or sisters), a reduction of 10 per cent is allowed on all charges for tuition, but not on fees and room and board, provided that both remain in College for the entire semester, and that neither student holds a scholarship.

Two day students from the same home enrolled in the College are allowed a discount of five per cent on tuition. Two day students from the same home taking studio courses are allowed a discount of five per cent.

Baptist pastors actively engaged in the ministry of the gospel, whose sons or daughters are students, are granted a discount of \$75 for the year if the student is a boarding student, and \$50 if a day student, provided no other concession is made. A minister's wife will receive the same concession as a child. One-half of the amount is credited each semester. Renewal of this concession is conditioned upon the student's having passed the work of the previous session with an average of not less than C. Any minister wishing to secure the benefit of this concession should make formal application in writing to the President.

Courtesies

There is no fee for make-up examinations and quizzes when the student had a legitimate excuse for the absence on the original date and the instructor was notified in advance by the student or the parent of the student. There is no special music fee for training in the College Choir. Regular students may elect classes in speech, drama, and art without extra charge.

PLACEMENT SERVICE

Placement services are available through the College. Large numbers of graduates are placed in art, industry, church work, journalism, music, nursing, radio, secretarial, and social service.

SCHOLARSHIP AND LOAN FUNDS

ESTABLISHED SCHOLARSHIPS

The College is in a position to assist each year a limited number of students by means of scholarships and student self-help arrangements.

The Woman's Missionary Union of the Saluda Association gives two scholarships annually. The value of each is \$150. Applications should be made to the Saluda Association, 103 Dixie Drive, Anderson, S. C.

The Charles S. Sullivan Scholarship endowed for \$5,000 was established in 1946 by the four daughters of Mr. and Mrs. Charles S. Sullivan in memory of their parents, the income of which is to be used to assist worthy students.

By bequest of the late Virginia L. Cochran, the Ernest F. and Virginia L. Cochran Memorial Scholarship was established, the interest to be used as a scholarship for some deserving person or persons of Anderson County.

The Joseph Newton Brown Trust Fund was established by the late Joseph Newton Brown, the interest to be awarded to needy Anderson County students preparing for careers in Christian service.

Henry Harper Scholarship, given by Mrs. Henry Harper in honor of her late husband, is used to assist worthy students.

The Carolyne Geer Hester Scholarship, established by Dr. H. I. Hester, Kansas City, Mo., in honor of his wife, is available to a student who is completely committed to foreign missionary service under the Southern Baptist Convention.

MUSIC SCHOLARSHIPS

Scholarships of \$150 each in Piano, Voice, and Organ are offered on a competitive basis to students of talent and achievement. These awards are open to high school graduates who plan to major in music. Winners will study with the heads of each department. Auditions for these scholarships will be held by appointment during the last week of the school term each year. Scholarships may be renewed on the basis of work done.

GENERAL EXCELLENCE AWARDS

A limited number of General Excellence awards for entering students are offered each year to outstanding high school graduates on the basis of scholarship, character, and leadership. These scholarships, valued at \$100 each, are for one year only, and written applications must be made before July 1.

LOAN FUNDS

The W. L. Anderson Loan Fund was established by the late W. L. Anderson to be used by deserving Anderson County boys and girls who would be unable to attend college without financial assistance.

The South Carolina Federation of Women's Clubs provides a loan fund for South Carolina girls who wish to attend college and need financial assistance. Applications should be made as early as possible since they are considered in the order in which they are received. Application blanks and information about this fund may be obtained from Mrs. George E. Davis, 419 Green, N. E., Orangeburg, S. C.

To assist a young woman with tuition expenses, the Hazel Meeks Loan Fund was established in 1962 by Mr. and Mrs. J. Watt Kirkpatrick, Charlotte, N. C. The loan is to be repaid to Anderson College without interest in four years after the student leaves the College. Preference will be given to an Anderson County student or a Baptist student. Two responsible endorsers will sign the note with the student.

STUDENT SELF-HELP OR WORK GRANTS

A limited number of students are employed in the dining room, offices, library, and various other departments of the College. Compensation depends upon the amount of work done. Self-help students must take a minimum of nine hours of work each semester in order to receive help the next semester. In order to receive the work grant the next year, the student must maintain a C average and make application not later than June 1.

Work grants may be withdrawn from any student proving unsatisfactory in his relations with the College.

Applications for work grants should be mailed to Mr. W. E. Tisdale, Administrative Assistant.

UNITED STUDENT AID FUND

USA Funds is a private, non-profit service corporation which endorses low-cost, long-term loans made by local banks to needy college students. Freshmen are ineligible to participate in this loan.

USA Funds serves as an intermediary between the student's public-spirited hometown bank (which makes the loan at cost or below) and the student's college which underwrites the loan by depositing funds in the USA Funds reserve). Anyone interested may get further information from his local bank or Anderson College.

COLLEGE SCHOLARSHIP SERVICE

Parents of applicants seeking financial aid are required to submit a Parents' Confidential Statement through the College Scholarship Service. A fee will be charged by the Scholarship Service. Forms for preparing the Confidential Statement for this application may be secured by writing to Mr. W. E. Tisdale, Anderson College.

In the Piedmont section of the Blue Ridge Mountains, Anderson, S. C., residents enjoy a generally mild year-round climate. The 32-acre campus, on the Boulevard, is in a respected, stable residential section of Anderson, offering easy access to downtown business districts and local churches.

The people of Anderson recognize Anderson College as a center of cultural activity in the community.

Passenger service by plane and bus is available to Anderson.

Anderson is approximately at mid-point between Charlotte, N. C., and Atlanta, Ga., on Interstate Highway 85 and U. S. Highway 29.

THE CAMPUS

More than a hundred oak trees grow on the campus which is landscaped in a series of rising terraces, with flower-bordered walks and driveways. Wisteria, dogwood, azaleas, a rose garden, and formal memorial gardens add to the natural beauty of the grounds. The tennis courts and athletic field are located on the back campus.

BUILDINGS

The newer buildings are fire proof. In the older buildings automatic sprinkler systems are installed.

Administration Building

Four tall white columns mark the entrance to the Administration Building. This three-story building contains the offices of the President, Academic Dean and the Dean of Women, parlors, home economics and science laboratories, classrooms, auditorium and dining room.

Denmark Hall (West Dormitory)

Denmark Hall, a two-story dormitory for women, is named in honor of President Emeritus Annie Dove Denmark. A kitchenette and an activities room are located on the ground floor.

West Colonnade joins this dormitory with the Administration Building.

East Dormitory

East Dormitory contains, in addition to rooms for women students, classrooms of the Department of Secretarial Science. East Colonade joins this two-story dormitory with the Administration Building. A kitchenette is located on ground floor.

Men's Dormitory

Two units of the dormitory for men provide housing for 111 male students. Built in 1962, the dormitory is equipped with a lounge, recreational and laundry equipment. The two units are connected by quarters for the dormitory hostess. In the dormitory, two rooms with two students per room are connected with a bath.

The Library

The college library houses a carefully selected book collection of over 10,000 volumes, a periodical collection of over 100 magazines and newspapers, and a carefully selected file of pamphlets and public documents. The majority of the magazines are bound in book form for easier handling and research. The book collection is classified according to the Dewey Decimal system, is cataloged, and is readily available on open shelves. Trained librarians employed full time are assisted by student helpers.

The library occupies a new building on west campus with modern facilities for research and recreational reading. The building is air conditioned and affords ample space for the expansion of the present collection.

Gymnasium-Class Building

This three-story building constructed in 1960, houses modern classrooms, faculty offices, day students' lounges, a gymnasium and locker rooms for men and women, recreational facilities, and Religious Activities Center.

Music Building

A 10-room house, formerly occupied by the College President, houses the teaching studios and faculty offices, student practice rooms, listening and choir rehearsal rooms. A recital hall, adjoining the present building, is now under construction.

A music library is housed in the music building. This growing record collection is available to all students and faculty members for recreational and educational enrichment. Turntables with earphones are available for playing these records.

Art Building

The Art Studio, located directly behind the Administration Building, is similar in architecture to other traditional campus buildings.

Student Center

Completed in 1964, the student center is located on the back campus. Student services include the college book store and gift shop, a refreshment center and television room, the student post office, and recreational facilities. The Registrar and Business offices are located adjacent to this building.

Infirmary

A registered nurse lives in the College infirmary, always subject to call when needed by resident students. Doctors and surgeons are available in the city of Anderson. The Anderson Memorial Hospital is located within a few blocks of the College.

In case of serious illness of a student, parents or guardians will be notified at once. Should special nursing or hospital care become necessary, the expense must be borne by the parents or guardians. The College furnishes medicine for routine infirmary treatment for resident students. Special prescriptions and extra physician charges are added to the student's college account.

COLLEGE LIFE

Dormitory Rooms

Dormitory rooms are arranged in suites —two rooms with connecting bath. Rooms are assigned to new students in order in which the initial payments are received.

Furnishings

Rooms are furnished with single beds equipped with box springs and innerspring mattresses, study tables, dressers, straight chairs, and closets. Women's rooms also contain rockers.

Students provide the following: bed linen, blankets, bed spreads, towels, curtains (2 ½ yards long in the women's dormitories), and all necessary personal articles. The men's dormitory is equipped with venetian blinds, and curtains are not allowed.

Students are responsible for the care of their rooms. Rooms are inspected periodically.

Charges for damage in dormitory rooms are deducted from breakage fee.

Laundry

Arrangements are made whereby students may have their laundry done at a nominal price. Each article should be plainly marked with the student's name.

Students have three possible services for laundry:

- 1. Automatic washers and dryers in the student laundry room.
- 2. Commercial laundries in the city.
- 3. Linen service available at \$10.00 per semester for two sheets, two large bath towels and one pillow slip each week.

Pressing rooms are provided for student use. Students do not use irons in their rooms. Automatic washing machines and dryers are also available.

Vacations

Dormitories are closed during Thanksgiving, Christmas, and spring vacations.

Wardrobe

Serviceable clothes are in keeping with the atmosphere of Anderson College. For the women, cotton prints, sweaters, and skirts are popular for general campus wear. Two or three street dresses, suits, party dresses, and two evening dresses meet the social needs. Men will need at least one dress suit and adequate sportswear. Emphasis in dress is put upon taste and suitability rather than quantity.

Allowance

Parents are asked to supply the students with only a moderate amount of spending money. Extravagant allowances are unnecessary.

Students making bills in the city do so on their own responsibility.

SPECIAL COLLEGE EVENTS

Traditional events which have long been a part of life at Anderson College include the hiding of the Crook and the Crook

party in the fall, holiday festivities ushered in by the observance of Christmas First Night, Founders Day in February, High School Days when prospective students visit the campus, and the Class Day observance during the graduation season.

STUDENT DISCIPLINE

The Dean of Women and the Dean of Men keep in close touch with parents and guardians. All special instructions in regard to the students and all permissions should be sent by mail to his or her office.

Students are expected to report to the College immediately upon their return to the city from weekend visits and vacations.

The South Carolina Baptist Convention, As A Convention, Is Opposed To Its Educational Institutions Sponsoring Or Promoting Dances.

The Use Of Alcoholic Beverages Is Not Allowed.

Women Students Are Not Allowed To Smoke. Men Students Are Allowed To Smoke In Designated Places.

STUDENT GOVERNMENT

The administration desires in every possible way to stimulate and encourage self-government—to awaken in each student that individual conscience which is the final dictation in all matters, personal and impersonal. Recognizing that no parent would be willing to send a daughter or a son to college where the administration had no disciplinary powers, the Student Government acts with the advice and oversight of the Faculty and Staff. The Student Government is composed of a Men's Council and a Women's Council.

WITHDRAWALS

The President of the College is authorized by the Board of Trustees to request the withdrawal of any student whose presence in the College, for reasons of health, conduct, or scholarship, does not meet with the approval of the administration, or whose influence, whether by word or deed, is injurious to other students or to the welfare of the institution. Specific charges are not necessarily made.

AUTOMATIC WITHDRAWALS

If because of persistent neglect, a student fails to make satisfactory progress, his parents are notified. At the end of the first semester, if he fails to complete nine semester hours with a "C" average, he is not allowed to return for the next semester. At the close of the session, if he has not passed as many as 18 semester hours, he is not permitted to return the following year.

RELIGIOUS LIFE

Anderson College is basically and aggressively Christian. It is the aim and purpose of the administration to engage teachers who will, by example and teaching, encourage and stimulate their students in the practice of Christian principles and ideals. Students not interested in an educational environment as presented at Anderson College should not apply.

The spiritual atmosphere of the College is marked by a certain definite resolution to keep moral and spiritual values in preeminence.

Chapel

Devotional exercises are a part of every Chapel program. They are conducted by local and guest pastors, faculty, and students. Chapel is held two times each week. Attendance is required.

Church Attendance

All resident students are required to attend regularly the church of their choice in the city.

All college students are encouraged to attend all the services of the church of their choice.

Baptist Student Union

The Baptist Student Union serves as a link between the student and the church. Each year a large number of students move their membership to local churches or come under their watchcare. The College is represented at state and Southwide conventions and at the spring retreats.

Young Woman's Auxiliary

In keeping with its ideals, the Young Woman's Auxiliary seeks "to bind together the young women of this College for world-wide services for Christ and unite them with young women of like interest in other colleges throughout the world."

Baptist Training Union

Students take an active part in the Training Unions of the Baptist churches in Anderson.

Ministerial Association

Men who feel definitely called to be ministers or Christian workers are regular or associate members of the Ministerial Association. The Association is organized for fellowship, inspiration, and service.

Church Related Group

Students preparing for the ministry of music, education, youth work, or other church staff positions, excluding the pastorate, can participate in this group.

Mission Volunteers

Through this group, students who are interested in the missionary calling share inspiration and fellowship.

Other Denominations

The Wesleyan Foundation for Methodists, the Westminster Fellowship for Presbyterians, the Canterbury Club for Episcopalians, and the Newman Club for Roman Catholics hold regular campus meetings.

CHRISTIAN EMPHASIS WEEK

A Christian Emphasis Week is set aside each session for a series of religious services. Friends from the city are invited to join with the students and faculty in chapel and vesper services during this special week. Southwide and state leaders and local pastors have made Christian Emphasis Week one of the most important occasions of the college year.

STUDENT ACTIVITIES

STUDENT GOVERNMENT ASSOCIATION

Anderson College students have a plan of self-government. Every student lives under its regulations. The Council, elected by the Student Government Association, administers the regulations, and in cooperation with the faculty and staff fosters standards of culture, honesty, and efficiency in the college life.

DENMARK SOCIETY

Membership in the Denmark Society is limited to sophomores of outstanding character and achievement. Near the end of each year, sophomores who have maintained a high standard of Christian character, a constructive quality of service and leadership, and a maximum degree of individual scholarship are elected by the faculty to membership in the Denmark Society.

ANDERSON COLLEGE ATHLETIC ASSOCIATION

The purpose of the Anderson College Athletic Association is to develop skills in sports which will lead to intelligent and constructive use of leisure time, to promote standards of sportsmanship, and to translate health facts into health practices which will function in each individual's program. During the year, the ACAA sponsors tournaments and competitive games between the classes and games are arranged with outside teams. Points are awarded for participation in the various clubs, archery, tennis, basketball, baseball, and softball; and letters are presented to those attaining the required number of points.

Anderson College is a member of the Western Carolinas Junior College Conference and the National Junior College Athletic Association, competing in basketball, baseball, tennis, golf, and track

HONOR SOCIETIES

Phi Theta Kappa

This junior college scholarship society, corresponding to Phi Beta Kappa for four-year colleges, has chapters in numerous accredited junior colleges throughout the United States. A student to be eligible must rank in the scholastic upper 10 per cent of the students enrolled in Arts and Science courses. In 1932 the Anderson College chapter, Beta Pi, was granted a national charter by the Grand Council of the Phi Theta Kappa.

Alpha Pi Epsilon

Alpha Pi Epsilon is a national honorary secretarial society for students of secretarial subjects. Its chief purpose is to professionalize the status of the college trained secretary. The society stresses superior achievement in stenography and encourages its members to carry high ideals into business relations. The Sigma Chapter was organized at Anderson College in May 1941.

Delta Psi Omega

Delta Psi Omega, national junior college dramatic fraternity, corresponds to Alpha Psi Omega for four-year colleges and has approximately 200 chapters in junior colleges in the United States. Students with good scholastic standing are eligible for membership after they have participated in acting or play producing. Membership in any junior college is limited to 12.

ORGANIZATIONS

The Anderson College Choir

The Anderson College Choir, under the direction of the chairman of the Music Department, plays a part in the religious, educational, and social activities of the city and state as well as the college life. An annual tour highlights the year.

Other choral groups are formed as available talent permits, guided by the Music Department.

Leadership Forum

Presidents of clubs and organizations and editors of student publications constitute the membership of the Leadership Forum. Meeting with the Academic Dean, this student leadership group seeks positive, constructive answers to questions of interest to student leaders.

CLUBS

Commercial Club

All students enrolled in the Department of Secretarial Science are eligible for membership in the Commercial Club. At the monthly meeting varied programs are presented and members discuss the opportunities and problems relating to their chosen field.

Omicron Iota Kappa

The home economics club aids in the development of initiative, leadership, and professional pride for students interested in this field. The club, Omicron Iota Kappa, is affiliated with the American Home Economics Association.

Music Study Club

All students taking applied music from any of the college instructors are automatically members. The club meets each month for study and performance by members and guests. Attendance is required of music students.

Circle K Club

The Circle K Club is sponsored by the Anderson Kiwanis Club and was organized at Anderson College in 1960. The International Circle K motto is "We Build." The purpose of the club is to render service to the college and community and to develop good citizens and leaders of the future. Membership consists of male students of good character and scholastic standing. Each year the good sportsmanship trophy, given by the Anderson Kiwanis Club, is presented by the Circle K Club to a varsity athlete.

Sketch Club

The Sketch Club is composed of students interested in art. Students are eligible for membership by submitting a sketch or some work to the faculty advisor. The group visits galleries and exhibits during the year. It is sponsored by the Art Department.

STUDENT PUBLICATIONS

The Yodler

The campus newspaper, published biweekly by the students of Anderson College, has received All-American ratings from the Associated Collegiate Press.

The Columns

The yearbook published by the students of Anderson College, portrays in permanent form the varied student interests.

Ivy Leagues

The College literary magazine is published by the English Department. Students submit poems, essays, short stories, and other literary works for publication in Ivy Leaves.

ALUMNI ASSOCIATION

All graduates and former students are eligible for membership in the Anderson College Alumni Association. The purpose of the organization is to keep alive in the hearts of all former Anderson College students a vital love and enthusiasm for their Alma Mater. A special welcome into the Association is given the graduating class at the Alumni Luncheon during graduation weekend.

From 1911 to 1930 Anderson College was a four-year college for women. The alumnae who attended the school during those years form a unit within the Alumni Association. This group is known as the Sororians, and its purpose is to strengthen the overall alumni program.

The College welcomes its alumni at any time during the year and extends a special invitation for class reunions at Commencement.

GENERAL ACADEMIC INFORMATION

Personal Guidance

Adequate personal adjustment for every student is the aim of Anderson College.

An orientation program for freshmen is conducted the first week of the fall semester. Students become acquainted with the ideals and aims of the College, its customs and traditions, the physical plant, and the social life of the campus and city. Psychological and subject matter tests are given to all freshmen.

Specific academic counseling is provided for every student. Each instructor is available as a counselor to students in his department. Each student will be assigned to a faculty adviser.

Case study records are kept for each student. This material consists of general personal information, scores achieved in placement tests and personality inventories, records of extra-curricular activities and reports relative to academic, vocational, and social counseling.

Grades

At the end of each semester the grades of each student are sent to the Registrar's office by the instructor, recorded on the permanent records of the College, and a report is sent to the parent or guardian of each sudent.

A, B, C, and D are passing grades; F means failure.

The semester grade represents all the work of the student in the course concerned, including daily recitations, special tests, and the final examination.

A grade report will also be mailed to the parents at mid-semester.

Requirements for Honors

Any student who maintains an average of 2.50 quality points for each semester hour of credit for the entire course of study will be granted his diploma *Cum Laude*; any student who maintains an average of 2.75 quality points for each semester hour of credit for

the entire course of study will be granted his diploma Magna Cum Laude; and any student who maintains an average of 2.95 quality points for each semester hour of credit for the entire course of study will be granted his diploma Summa Cum Laude.

The following table shows the number of quality points per semester hour credit for each grade:

Grade	Points Per Credit
A	3
В	2
C	1
D	0
F	0

An average grade of C is necessary for graduation. Deficiency in quality points may, in some instances, be removed by repeating courses on which low grades have been made.

Examinations

All classes are examined at the close of each semester. The examinations do not exceed two hours in duration. In addition to these regular examinations, class tests are conducted at the discretion of the instructor.

No student may be exempt from examinations by any teacher, and no teacher may hold an examination out of the scheduled time.

Class Attendance

Regular and prompt class attendance is expected of all students. The following class attendance regulations are enforced:

1. No student may receive credit in a course in which he has been absent for more than one-fourth of the time for which the course was scheduled. No student will be admitted to a class after the first week of classes. Students entering late must make up the work which their classes have already done.

2. Parents are asked not to withdraw or detain students from any academic duty, except for reasons approved by the College. Application for special exceptions growing out of emergencies in the family of the student must be made by the parents.

The following excuses for absences are permissible under the regulations of the faculty.

- a. Personal illness, certified by the college infirmary, parents, or physician;
 - b. Marriage or death in the family;
 - c. Critical emergency in the family;
 - d. Leave of absence to represent the college officially;
 - e. Field trips which necessitate absence from other classes.
- 3. Students who wish to withdraw from the college at any time other than the end of the semester must file a withdrawal form with the Registrar. Any student who withdraws from the college without notifying the Registrar suspends himself. Students missing 13 classes in a three semester hour course, excused or unexcused, will receive an automatic "F" on the course for the semester.

Students are required to attend all sessions of courses for which they are registered. If a student is absent four times from any class without explanation, he will be dropped from the class roll.

Three tardies constitute an absence. An absence before or after a holiday will count as a double absence.

Tests and Examinations

- 1. Permission to make up tests must be received from the Academic Dean in consultation with the instructor.
- 2. Permission to make up final examinations which have been missed will be given only in case of serious emergency and must be approved by the Academic Dean.

Grading System

A]	100	9-6)5
В																					94	1-8	39
С						 				 					 						88	8-8	30
D						 				 											79	-7	0
Fa	ilure				 			 					 					1	ρe	elo	ow	7	0

Persons withdrawing from classes will be given:

W-withdrawing before mid-semester examinations

WP-withdrawing while passing after mid-semester examinations

WF—withdrawing while failing after mid-semester examinations

Chapel Attendance

Meeting twice each week, chapel attendance is required. Absences are excused on the same basis as class absences (for sickness, death in the family, away on College business, and valid emergencies). When a student accumulates TWO UNEXCUSED CHAPEL ABSENCES within a semester, he is subject to a warning from the Chapel Committee. Tardies are counted as absences. A student who accumulates more than two unexcused Chapel absences within a semester is subject to suspension from the college for the remainder of the semester, and must appear before the Chapel Committee.

Remedial Algebra

The College offers work for students who have poor backgrounds in high school algebra, or for those making low scores on the math placement test. No college credit is given. This course meets three times per week. The tuition charge for this course will be the same as if it were a credit course.

(See Math. 10.)

Remedial English

Remedial work is also available to students who prove to be inadequately prepared for college-level English composition courses

in the freshman year. No college credit is given. This course meets three times per week. The tuition charge for this course will be the same as if it were a credit course. (See English 10.)

Requirements for Graduation

Requirements for graduation with the Associate of Arts or the Associate of Secretarial Science are: 64 semester hours of college work, and a grade point ratio of 1.00.

The grade point ratio will be calculated by dividing the total credit hours attempted into the total number of quality points earned. The graduate must satisfactorily complete Bible 11, 12, and English 11, 12, and 21, 22.

The Associate of Arts diploma is presented students completing any two-year program of study with the exception of the Church Secretarial and the Two-Year Secretarial courses. Students completing the latter two courses are presented the Associate of Secretarial Science Diploma.

The one-year secretarial science certificate is presented students completing the one-year secretarial curriculum as outlined on pages 50-51.

Candidates for the junior college diploma must complete their last year's work in Anderson College.

Sixteen hours of recitation work a week are expected of all regular students. The minimum is 12. Credits will not normally be given for more than 19 hours of academic work a semester, exclusive of physical education. Only by special permission of the administration may 19 hours or more be taken.

COLLEGE HISTORY

Functioning today as a fully accredited, co-educational junior college, Anderson College began as a senior college for women. The decision to organize as a junior college was made in 1929. In that year, the change was ratified by the South Carolina Baptist Convention which sponsors and supports the College. In September 1930, the school opened as a junior college and accepted its first male students.

Established in 1911, Anderson College traces its origin to one of the first institutions of higher learning for women in the United States. The Johnson Female Seminary opened in the Village of Anderson in 1848. The names of many of the older families of the community are found in the extant class rolls of the old seminary.

The founder of the Johnson Female Seminary was the Rev. William B. Johnson, a Baptist minister who was president of the national Triennial Baptist Convention and later the first president of the Southern Baptist Convention.

The school Mr. Johnson founded was forced to close during the Civil War and did not reopen. But in time a new generation carried on where the old institution had stopped. The outcome of their efforts was Anderson College, founded in 1911. First classes were conducted in the fall of 1912.

In the 1965 fall term, a total of 822 students were enrolled at Anderson College (including 120 in the night division). For the second year in succession, male students outnumber female students at the College, with 454 men and 368 women.
